## Have questions about careers in water? Our panel of experts is here for you!

Join us for our engaging virtual meet-ups where we dive into the opportunities available in the California water profession.

We're proud to bring together a panel of distinguished women in Southern California.

- How has the industry changed to become more inclusive of diversity, especially for women in the field?
- What challenges have you faced and how did you overcome them?
- If you had all of the decision making power what would you change?

Host  
**Shannon Simmers**  
City of Riverside

Whether you're just starting your career journey or looking to take the next step, **we're here to help.**

Then, we're opening the floor to **your questions.** Let us know the info you need to navigate California water careers.
