Code of Ethics

All California Water Environment Association certificate holders and applicants are expected to meet the following standards of professional conduct and ethics:

- 1) To protect public health, themselves, their co-workers, property, and the environment by performing the Essential Duties of the **CWEA** certified vocation safely and effectively, and complying with all applicable federal, state and local regulations.
- 2) To represent themselves truthfully and honestly throughout the entire certification process.
- 3) To adhere to all test site rules and make no attempt to complete the test dishonestly or to assist any other person in doing so.
- 4) To refrain from activities that may jeopardize the integrity of the Technical Certification Program.

Non-Discrimination

It is the policy of **CWEA** that it shall not discriminate among applicants as to age, race, religion, national origin, disability, sexual orientation or marital status.

Signature of Applicant Application will not be processed without signature.

I, the undersigned, certify that I am the above named applicant; the all statements made and information contained in the above application are true and correct to the best of my knowledge and belief; that I understand that any omissions of misrepresentations may result in ineligibility of the examination being applied for or revocation of any certificate granted. I have read and understand the **CWEA** Technical Certification Program Code of Ethics. I also consent to a thorough investigation of my employment records and other qualifications in related activities for the purpose of verification of my qualifications for the certificate for which I have applied. I understand that the exam reproducing or transmitting the exam content in any form, verbal, writer or electronic. I have read and understand the **CWEA** Technical Certification Program policies available in the TCP Candidate Handbook.
