Workshops & Tours

In addition to more than **200 Technical Sessions**, we have expanded our Workshop and Tour offerings.

We have **20 Workshops** offering focused instruction on some of the industry's hottest topics, some priced as low as \$25! Register early as many Workshops have registration deadlines and/or capacity limits.

Due to popular demand, we have expanded our most popular **Tour** offerings (ie **Hoover Dam & the Venetian Hotel**) to three (3) events each, and we have brought back the amazing **Shark Reef Aquarium** tour! We have two (2) Tours to local **Wastewater Treatment Plants** and a Tour of the **Alfred Merritt Smith Water Treatment Plant** with a special look at the low level pump station! Register early as space is limited, even with the expanded offerings!

Guest Registration

Guest registrations will be available **on-site only** for \$20 per guest. Registration is limited to two (2) guests per Attendee.

Guest registration is intended for the spouse, significant other, and/or minor children who may accompany the Attendee to the conference.

Guests, including children, are not allowed in the Technical Sessions nor Workshops, and are not eligible for Continuing Education Credit.

Guests are allowed to visit the Exhibit Hall and may attend any of the Tours for an additional fee. Please note that alcohol is served in the Exhibit Hall and minor children must be accompanied by an adult at all times.

If you wish to register a guest, please visit the **Attendee Registration Desk** located in the **Conference Center**.
