AC23 CONFERENCE AND EXPO

ONE COMMUNITY ONE PURPOSE

APRIL 18-21, 2023 | SAN DIEGO

We are on the road for the CWEA Collection Systems of the Year tour, and we can't wait to see who pulls ahead this year from the awe-inspiring competition. Join me at AC23 and the committee awards lunch on Thursday to see how it played out. Meet and share time with the over 500 years of collections experience. There's no better place to share and ask questions.

- **Rey Mendez**, Chair, Collection Systems Committee, City of Pacifica

COLLECTION SYSTEM HIGHLIGHTS

TUESDAY, APRIL 18

COLLECTION SYSTEM EFFECTIVENESS: PEOPLE. PROCESS. TOOLS. **WORKSHOP**

The speakers will highlight ways to improve collection system effectiveness and ensure compliance with the Sanitary Sewer System WDRs to reduce violations, enforcement, and negative attention.

Share your system's challenges with industry experts and peers - and take home an action plan. **BONUS:** Bring your Sanitary Sewer Management Plan (SSMP) for improvement recommendations during the workshop.

THURSDAY, APRIL 20

COLLECTION SYSTEMS COMMITTEE AWARDS LUNCH

Join the Collection System Committee in celebrating outstanding collection system winners including PICK, Gimmicks and Gadgets, Golden Manhole, Person of the Year, and Collection Systems of the Year.

FRIDAY, APRIL 21

SEAWORLD TOUR

Representatives with the Water Quality Department of Sea World San Diego will be providing a behind-the-scenes tour of Sea World. The tour will cover general park information, a look at their East or West Water Treatment Facilities and an up-close look at their filtration process. The tour will include a behind-the-scenes learning session and Q&A as guests will visit the Main Plant Intake system, Animal Care Holding facility, JTA Ray Exhibit, Wild Arctic Exhibit, Penguin Encounter, and the Orca Encounter.

**Workshops, tours and meals such as committee lunches have an event fee.*
