

**CWEA Northern San Joaquin Section
LABORATORY COMMITTEE**

August 27, 2026 (12:00 PM)

**MDL and Data Integrity and Ethics Training
with Tony Francis (4 CEU)**

Dr. Francis, a TNI instructor and assessor, has extensive experience in chemistry and biology. He was owner/operator of a large environmental laboratory in Nevada prior to becoming a full-time consultant. He performs and manages third-party laboratory audits for several states, QA/QC consulting to individual laboratories, and provides internal audits, data integrity training, and data validation to private and governmental laboratories. He has assessed numerous laboratories to ISO/IEC 17025 and various TNI Standards for several accreditation bodies. He is a fully qualified NELAC assessor and an EPA-approved drinking water certification officer in all areas available. He received his PhD in chemistry from the University of Utah in 2003.
