Join us for an evening of recognition and celebration as we honor our local Redwood Empire Section's outstanding performers and celebrate the winners from this year's nominated categories. We'll recap the highlights and accomplishments of 2025, raise our glasses to those who have gone above and beyond, and officially welcome the new Board of Directors for 2026. Plus, don't miss your chance to win exciting door prizes—awarded to both nominators and randomly selected dinner attendees!
