8521 Laguna
Station Road, Elk
Grove, CA 95758

Agenda

Networking
Session and
Refreshments
(30min)

Classroom
Presentation
(30 min)

Walking Tour
(2 hours)

The Sacramento Area Sewer District (SacSewer) is the Sacramento region's sewage collection, treatment, and resource recovery utility—providing service to more than 1.6 million people. SacSewer is the second largest sewage collection utility in California, and owns and operates the second largest water resource recovery facility of its kind in the nation, the EchoWater Facility. Here, an average of 116 million gallons of sewage is treated per day! Come join us for a behind-the-scenes tour, meet other students, young professionals, and gain industry connections. All are welcome to attend!

Please remember to wear closed-toe shoes and long pants.

Admission

CWEA Members: Free

Non-CWEA Member: \$5

Signing up for our Urban Roots Mixer waives this tour fee!

*Please contact Teresa Lopez at teresa@robertson-bryan.com for your
waivers and student admission!
