

**CWEA**

The Students & Young  
Professionals Committee and the  
Professional Development Committee are  
pleased to present the

## 2024 Summer Leadership Book Club

**The Long Game: How to be a Long-Term  
Thinker in a Short-Term World by Dorie  
Clark.**

**Date/time/location: Sat., Aug. 24, at 10:30  
am at Ain't Normal Cafe (5701 College Avenue,  
Oakland, CA, 94618)**

**[RSVP here!](#)**

The overall mission of the CWEA is “empowering, educating, and connecting water professionals to protect public health and the environment.” Accomplishing the mission requires leadership skills, hence, we are cultivating the habit of reading and reflecting best practices to be and become excellent leaders in our distinct domains. Doing this in community enhances our individual learning, inspiration, and joy in the process. We hope you will come and join us!
