# **CWEA** Treatment Plant Tour: Silicon Valley Clean Water

This is a special event for Students and Young Professionals to get to tour the award-winning Silicon Valley Clean Water Wastewater Treatment Plant, including the new Headworks Facility!

Silicon Valley Clean Water (SVCW) serves more than 220,000 people and businesses on the Peninsula.

The SVCW facility is designed to remove more than 97% of all solids and organic material, and 100% of pathogens from the wastewater using traditional and emerging technologies.
