Join CWEA for our annual Pretreatment, Pollution Prevention, and Stormwater Conference in Anaheim, featuring the California Fats, Oil, and Grease (FOG) Workshop. We're bringing together pretreatment inspectors and collection system professionals to combat FOG-related issues and further reduce sanitary sewer overflows (SSOs).

This workshop boasts an impressive lineup of speakers, including some of the nation's foremost FOG experts. The sessions cover a wide range of topics, from FOG inspections to flushable wipes, gas monitoring, and more.

Don't miss this opportunity to stay at the forefront of FOG management and SSO reduction.
