

Join the Students & Young Professionals Committee for

Sausalito-Marin City Sanitary District Treatment Plant Tour

Join us for an exciting tour of this treatment plant with a unique footprint

The Sausalito-Marin City Sanitary District (SMCSD) is hosting CWEA's students and young professionals for a tour of their wastewater treatment plant. SMCSD recently completed a \$26-million upgrade to add a headworks, motor control center, equalization basin, and other improvements throughout the treatment process.

Before we start our tour, the SFBS SYPC will provide drinks and food for a 30-minute networking meet & greet. Enjoy coffee, orange juice, and/or bagels before we start the tour.

Location & Directions

1 East Road, Sausalito, CA 94965

AGENDA - Friday, Sept. 22nd 2023

- 9:50 AM – Arrive at the Tour Location 10 min
- 10:00 AM – Coffee and Bagels 30 min
- 10:30 AM – Tour Overview / Safety Brief 10 min
- 10:40 AM – Treatment Plant Tour 1 hr 20 min
- 12:00 PM – End of Tour

All attendees should park on the East Road (red line) and walk down the driveway (green arrow) to the SMCSD main office. Attendees may also find parking near the plant (red circle). See the figure on the left.

Registration & Additional Information

The CWEA SFBS will manage the google form responses in an attempt to organize carpools for students. RSVP using the link.
