2024 SAFETY DAYS

SOUTHERN SAFETY DAY Great Wolf Lodge Water Park, Anaheim | October 9th

We're excited to see you at our 3rd annual Southern Safety Day! Safety is a critical part of the wastewater community and CWEA wants to make sure all of our members have access to safety education.

Last year, 185 front-line wastewater and water treatment professionals attended Southern Safety Day. The event's success over the past two years means it's here to stay as an annual CWEA event!

NORTHERN SAFETY DAY Yolo County Fairgrounds, Woodlands | October 16th

CWEA looks forward to welcoming you at our 38th annual event in Woodland. We're confident your exhibit experience will be a wise investment. Connect with over 400 front-line wastewater and water treatment professionals with dedicated exhibit hour times throughout the day.

The annual event connects and educates wastewater professionals on safety topics such as confined space, class B driving, fall protection, electrical safety, and more.
