## SUPPORTERS

Please join us for California's first-ever virtual water career fair. We'll use the Brazen online platform. CWEA's San Francisco Bay section hosted a virtual career fair in March and it was an amazing success.

**We're going statewide this time!** Students, entry level professionals and experienced professionals are all welcome to join us for a welcoming and inclusive virtual career fair event. **CA water needs you!**

After signing in, you'll be able to explore information and opportunities, and participate in 1-on-1 text or video chats with representatives from water agencies and private firms. Share your background and experience, and get your questions answered.

## BENEFITS FOR JOB SEEKERS

- **Upload your resume** so you catch employers attention!
- Have live chats/video chats one-on-one with a recruiter
- "Stand in line" for multiple companies
- Use your phone, tablet, laptop or computer
- Send a follow up note to company representatives
- Take digital notes as you interact with agencies

### WHO SHOULD ATTEND?

Students, entry-level candidates and young professionals. Meet representatives from leading public and private employers.

### PRIMARY PRACTICE AREAS

Engineers, scientists, lab technicians, geologists; instrumentation techs; researchers and more!

## PLATFORM BENEFITS FOR EMPLOYERS

Please join us for our first statewide virtual career fair using the [online platform Brazen](#). Our career fairs have been an ongoing success. We hope to continue that success and we thank you for your participation.

- Customize your career fair “booth”
- Browse candidate resumes
- Schedule chats with candidates/chat live with attendees
- Include links to job postings
- Multiple representatives to meet with multiple candidates
- View resumes automatically during conversations
- Take digital notes following interactions with job seekers

## HOW DOES THE BOOTH WORK?

After registering your organization to participate, you will be given access to create and customize your own booth. You can add your organization's logo, images, videos, and other information to make your organization stand out.

Before the event, browse resumes of attendees and interact with them via the messaging system. You can even schedule chats with them.

During the event, your representatives will connect live 1-on-1 with job seekers through text or video chat, just like an in-person career fair, allowing you to learn about the job seekers, answer questions, and determine next steps!

You will be able to take digital notes following your interactions and access those notes and resumes following the event. Now you're hiring!
