Saturday, Nov. 14, 2026
10:30 AM

RSVP here!

LOCATION WILL BE PROVIDED TO REGISTERED ATTENDEES!

The overall mission of the CWEA is "empowering, educating, and connecting water professionals to protect public health and the environment." Accomplishing the mission requires leadership skills, hence, we are cultivating the habit of reading and reflecting best practices to be and become excellent leaders in our distinct domains. Doing this in community enhances our individual learning, inspiration, and joy in the process. We hope you will come and join us!
