\$20 Member
\$25 Non-member

Includes dinner after the tour at El Torito:

3301 Atlantic Ave.
Long Beach, CA 90807

Join us on an exciting tour of Relativity Space's 3D rocket manufacturing facility. Relativity Space fuses 3D printing, artificial intelligence, and autonomous robotics, printing its rockets' structure and engines that significantly reduces touch points and lead times, simplifies the supply chain, and increases overall system reliability.

PARKING INFORMATION

Plan to arrive early and consider carpooling as parking is tight. Spots marked as visitor are only for investors, customers, VIPs, and government officials. Attendees must be U.S. citizens.
