Join CWEA and Dr. Gloria Weatherspoon for **Leadership Flow**, an immersive and interactive course tailored for water industry professionals transitioning into leadership roles.

The water industry's unique challenges require a dynamic, adaptable leadership approach. This workshop explores the currents of effective leadership, focusing on self-awareness, emotional intelligence, and strategic decision-making to help professionals navigate complex work environments. Through hands-on activities, and collaborative discussions, participants will learn how to harness their strengths, lead with confidence, and foster a culture of engagement and innovation within their teams.

Earn up to **7.5 Contact Hours** towards your certification.

## NAVIGATE LEADERSHIP CURRENTS WITHIN THE WATER INDUSTRY
