SOUTHERN

Wednesday, March 6
8:30 AM - 3:15 PM

Hyperion Learning Center
12000 Vista Del Mar
Playa Del Rey, CA 90293

Register for Socal
bit.ly/erc-playadelrey

REGISTRATION

\$195 Members
\$245 Non-Members

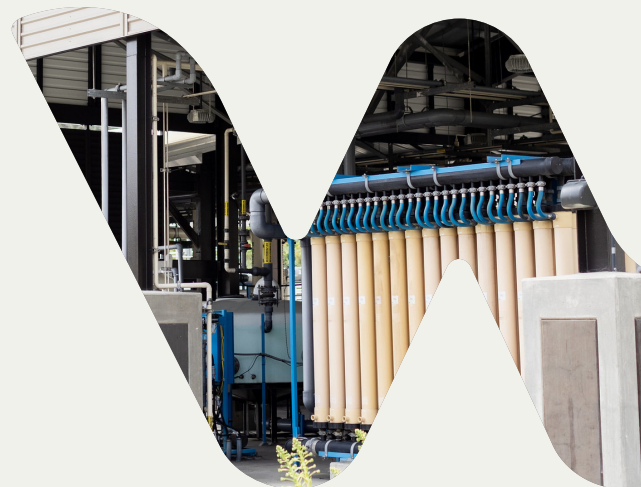

Interested in being a workshop sponsor? Contact Amy Lai at 510.382.7800 ext. 103 or alai@cwea.org for more details.

This workshop presented by **CWEA's Engineering and Research Committee** includes updates on the regulatory requirements for potable reuse and will highlight specific projects and tailored research efforts targeting areas of need to advance potable reuse.

From purple pipe to IPR and DPR regulations, gain the latest insights on the development of potable reuse in California.

DEEPEN YOUR UNDERSTANDING IN...

- Development of potable reuse projects throughout California
- SWRCB regulatory requirements for various types of potable reuse programs
- Types of potable reuse and their permitting process
- Research that supports potable reuse

California - The State of Potable Reuse

NORTHERN WORKSHOP SCHEDULE

TIME	EVENT
8:30 - 9:00 a.m.	WELCOME AND CONTINENTAL BREAKFAST
9:00 - 9:30 a.m.	Potable Reuse Regulatory Overview Bryan Trussell, Trussell Tech
9:30 - 10:00 a.m.	Groundwater Recharge Surface Spreading - Fallbrook Fred Gerring, Hazen and Sawyer
10:00 - 10:15 a.m.	BREAK
10:15 - 10:45 a.m.	Groundwater Recharge Subsurface Injection - Pure Water Soquel Austin Cunniff, Black and Veatch & Cameron Kostigen Mumper, Soquel Creek Water District
10:45 - 11:15 a.m.	Potable Reuse Planning - Valley Water Purified Water Program Medi Sinaki, Santa Clara Valley Water District
11:15 - 11:45 a.m.	Research - MBR Pathogen Crediting Studies Amos Branch, Carollo
11:45 a.m. - 12:30 p.m.	LUNCH
12:30 - 1:00 p.m.	Research - SFPUC Regional Research Efforts Manisha Kothari, San Francisco Public Utilities Commission
1:00 - 1:30 p.m.	Research - O3-BAC Pretreatment Benefits Aleks Pisarenko, Trussell Tech
1:30 - 2:00 p.m.	Research - GAC Post RO Study Melanie Holmer, Jacobs
2:00 - 2:15 p.m.	CLOSING REMARKS AND WRAP UP
