

Dear Members and Volunteers,

Our Tri-Counties Section's (TCS) September Workshop and Training Seminar will be held on **Thursday, September 19th, 2024 at the Ventura County Fairgrounds**. Earn up to 4 contact hours valid for CWEA TCP certificate renewal. We are always here to help grow your career. And with **this September Workshop**, we're continuing to help you, our members with excellent class presentations and topic discussions.

Be sure to visit with all our Generous Vendors. Vendor Exhibits will be open the morning of the workshop, during breaks, and lunch. A great lunch will be served, and we will wrap up the lunch with some fabulous door prize drawings. The training classes schedule will be available soon.
