## Join Us for the First Annual Tahoe-Truckee Mutual Aid Training Event

Hosted by CWEA Sierra Section & Truckee Sanitary District

The CWEA Sierra Section is proud to invite you to our **inaugural annual Tahoe-Truckee Mutual Aid Training**. This two-day event will be hosted this year by the Truckee Sanitary District and is designed to strengthen regional collaboration and emergency response preparedness across our wastewater community.

**Day 1** will focus on **onsite Sewer Emergency Response (SERP) training**, covering spill response, cleanup procedures, and sampling protocols.

**Day 2** will feature a **Mutual Aid workshop**, including a roundtable discussion, hands-on rotating training stations, and a tour of the Tahoe-Truckee Sanitation Agency (TTSA).

Our goal is to make this a yearly fall event hosted by a different District each year that promotes mutual aid, builds strong inter-district relationships, and provides a shared contact and equipment resource list to support one another in times of need.

To ensure broad participation, we kindly ask **each district in the Tahoe-Truckee region to send at least 4 representatives**, ideally including:

- Two Supervisors or Leads
- At least one Operator(s), Field Worker(s), Engineer(s), Lab Team Member(s), or Officer Personnel(s)
- One Superintendent, GM, or Director (*optional*)

**Let's come together to train, connect, and support one another for a stronger, more resilient region.**

## 2 DAY WORKSHOP INFORMATION

### Day 1: SERP Training – Wednesday Sept 3

---

Led by Sam Rose & Jim Fischer, this session will cover spill response, cleanup procedures, sampling protocols, and more.

**Open to 20 CWEA Sierra Section spots**

**\*Register ASAP**

### Day 2: Mutual Aid Training – Thursday Sept 4

---

A full-day training featuring spill simulations, bypass operations, and guided tours of TSD and TTSA facilities.

We encourage **each District in the Tahoe-Truckee Basin to send 4 representatives**, including:

- Two Supervisors or Leads
- At least one Operator(s), Field Worker(s), Engineer(s), Lab Team Member(s), or Officer Personnel(s)
- One Superintendent, GM, or Director (*optional*)

Includes a morning roundtable, rotating training stations, CWEA-sponsored lunch, and a TTSA tour. Rotating training sessions could include a spill simulation with sandbag walk through, manhole to manhole bypass, tour of TSD facilities and equipment.

**Preferred Attendance Date: Thursday, Sept 4, 2025** (*for full-day participation*)
