

THE DIGITAL WORKER

Building Our Digital Future

Please join BAYWORK for a discussion on how to ensure that our workforce is able to make effective use of new digital tools.

- Hear real-life case studies from water/wastewater utilities
- Initiate development of a digital readiness self-assessment tool
- Panel discussion with utility leaders and community college faculty on training qualified staff

This will be BAYWORK's first in-person event in over two years.

Continental breakfast and lunch will be provided.
